f. Other Purchased Services:
List and identify each service. Include contractual services such as tuitions, service contracts, reimbursable charges for services performed by another agency, and non-temporary storage of household goods.

g. Supplies and Materials:

Include items valued at less than \$200. Cost of general supplies need not be itemized, but stated in total. Include the cost of subscriptions to newspapers and periodicals and for purchase of pamphlets and documents. Total monetary credits required for Self Service Supply Center (SSSC) supplies will be programmed by the HQ, Support Division for all HQ staff offices and activities.

h. Petroleum, Oil, and Lubricants:

Total POL required for all HQ staff offices will be programmed for by the HQ, Support Division.

i. Equipment:

Include items valued at \$200 or more, such as typewriters, calculators, and adding machines. Each commodity shown will be itemized.

2. Narrative Justification

This section will consist of a succinct narrative statement explaining the need for the foregoing requirements. Anticipated problem areas or contingencies should be pointed out. Where appropriate, the rationale used as the basis for programming will be stated.

* Two training contracts projected as necessary during FY to provide for expansion of personnel base and upgrading of quality of present personnel. Exact contractor not yet determined. Based on anticipated expansion of Special Actions Branch activities, move to new facilities, development of technical equipment support base necessary to operations, and development of full time intel collection capability.
